

# Draft Assurances Offered – Kenilworth Greenway

(ref: WCC Petition Position Statement Letter, 17/10/2014)

The Promoter will promote an additional provision to provide a connection from the northern end of the Kenilworth Greenway to join with the existing footpath on the approach road to Berkswell Station, and subject to the approval of Parliament, the Promoter will require the nominated undertaker to construct the works in accordance with the additional provision. The route of such connection to be broadly in line with that shown on the indicative drawing number: C224-ARP-HW-DSK-040-000001-RST00002756 and finished to an appropriate standard for use by pedestrians, cyclists and horse-riders. The Secretary of State will ensure that the said connection is designated permissive bridleway.

In preparing the additional provision, the Promoter will keep Warwickshire County Council informed of the progress of the design of the revised alignment and consult them on any material changes to the design.
