Local Councils in England

Annual return for the financial year ended 31 March 2015

Local councils in England with an annual turnover of £6.5 million or less must complete an annual return in accordance with proper practices summarising their activities at the end of each financial year. In this annual return the term 'local council' includes a Parish Meeting, a Parish Council and a Town Council.

The annual return on pages 2 to 5 is made up of four sections:

- Sections 1 and 2 are completed by the person nominated by the local council.
- Section 3 is completed by the external auditor appointed by the Audit Commission.
- Section 4 is completed by the local council's internal audit provider.

Each council must approve this annual return no later than 30 June 2015.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all sections highlighted in green. Do not leave any green box blank. Incomplete or incorrect returns require additional external audit work and may incur additional costs.

Send the annual return, together with your bank reconciliation as at 31 March 2015, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your external auditor by the due date.

Your external auditor will identify and ask for any additional documents needed for their work. Therefore, unless requested, do not send any original financial records to the external auditor.

Once the auditor has completed their work, certified annual returns will be returned to the local council for publication or public display of sections 1, 2 and 3. You must publish or display the annual return, including the external auditor's report, by 30 September 2015.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide for local councils that can be downloaded from www.nalc.gov.uk or from www.slcc.co.uk

Incorrect Section 1 figures

The figures reported by the Council for the year ending 31 March 2015 on the Annual Return caused a £6 imbalance within the Councils accounts. The Council has now confirmed the correct Section 1 figures for 2014/15:

Box 1: £71,070

Box 2: £51,300

Box 3: £14,534

Box 4: £6,505

Box 5: £43,555

Box 6: £43,728

Box 7: £86,844

Box 8: £86,844

The figures for 2015 should be restated in the 2015/16 annual return. The column that is restated should have the word 'restated' inserted beneath the £ symbol.
